THE NATIONAL A.A. TECHNOLOGY WORKSHOP 2024
SEPTEMBER 13 - 15, 2024

Help Us Make Our Tenth Birthday in St. Louis MO a Hybrid One!

September 13 - 15, 2024

The National A.A. Technology Workshop celebrates its 10th Anniversary in the city where it all began - St. Louis, MO.

We've got a rockin' hotel.

We've got a super-skilled bunch of technologists.

We've got enthusiastic (and extremely intelligent and witty!) Members, Groups, Districts, Areas, and General Service Office staff eager to learn and share about technology in A.A. today.

We've got members from all over the globe wanting to learn how technology can best effectively spread the A.A. message to the still-suffering alcoholic.

And, we've got high overhead.

To create a hybrid NAATW 2024, we need a LOT of participation.

130 folks ONLINE, to be exact.

And we need 130 ONLINE Registrants by July 12.

(Because, you know, *good* tech costs money)

[This is where self-sufficiency and prudence meet, folks]

If we can't hit the 130 Online registrant number by July 12, we'll *only* meet In-Person and *all* Online registrations will be refunded.

Your strong Online presence will make a Happy Hybrid 10th

So, please, "Meet Us In St. Louis" In-Person & Online

Our Hotel - The Sheraton Westport Chalet
$149 Block Rate Ends Aug. 15

We'll congregate in a sweet little Alpen village surrounded by yodelers and the charming sound of goat bells….no, no, whoops, sorry! Our hotel is casually elegant, with pools and restaurants, just 8 minutes from Lambert International airport. It's part of Westport Plaza, a walkable district filled with dining, shopping and entertainment venues.

The hotel is just 10 minutes from historic St. Charles and 15 minutes from Forest Park, home of the St. Louis Zoo, Science Center, Art Museum and the History Musem. It's not far to the world-famous Gateway Arch (take the elevator to the top!).
